- a) The copies of (i) a COVID-19 test certificate within 72 hours prior to departure or its copy and (ii) a vaccination certificate, which are presented by the applicant at the time of entry into Japan, must not contain any misrepresentation of its contents. In addition, when a negative result of a test voluntarily taken to shorten the quarantine period is reported to the Health Monitoring Center for Overseas Entrants (HCO) of the Ministry of Health, Labour and Welfare (MHLW), there must be no misrepresentation in the contents of the report.
- b) The applicant stays at an accommodation facility designated by the quarantine station for the number of days specified by the quarantine station of the MHLW. The applicant must follow the instructions of the MHLW when traveling to and from the accommodation facility and while staying at the accommodation facility.
- c) After entry into Japan and until the end of the designated quarantine period, the applicant:
 - (i) stays at the location indicated in the questionnaire submitted to quarantine or at an accommodation facility designated by the quarantine station. If it becomes necessary to change the location for unavoidable reasons, the applicant shall consult with the HCO of the MHLW.
 - (ii) does not make contact with others.
 - (iii) does not use public transportation such as trains, buses, cabs, domestic flights, etc. used by an unspecified number of people (except for the travel to home or accommodations within 24 hours of inspection in quarantine at the time of entry.)
 - (iv) responds to requests from the public health center for information necessary to prevent the spread of infection.
- d) Upon entry into Japan, the applicant installs the app designated by the MHLW, and
 - (i) after entry into Japan, the applicant shall report his/her health condition to the HCO until the designated quarantine period ends.
 - (ii) after entry into Japan, the applicant shall register his/her accommodation in the app and send his/her location information when he/she receives a notification from the app.
 - (iii) when contacted by the HCO via the app, the applicant shall respond by turning on the camera of the smartphone you are carrying.
- e) The applicant responds in good faith to communications and investigations by the relevant authorities, including the MHLW and the HCO regarding compliance with the contents of the pledge. Failure to respond without justifiable reason, refusal or obstruction of investigations, or making false reports, etc., may constitute a breach of the pledge.
- f) If the applicant become symptomatic after entry into Japan and before the designated quarantine period ends, the applicant must promptly seek medical attention, and follow any instructions given by the authorities such as public health centers.
- g) The applicant cooperates with the health center's investigation if they test positive after entry into Japan.
- h) The applicant takes measures to prevent infection such as (i) wearing masks, (ii) thoroughly disinfecting hands, and (iii) avoiding closed spaces, crowded spaces, and close-contact settings (the “three Cs”).

NB: If the applicant does not submit the written pledge, the applicant will be required to stay for the designated quarantine period in an accommodation facility designated by the quarantine station.
